Get your flu shot — the best way to help prevent the flu

Each of us can help protect all of us. Get a flu shot and show you care.

Take down the flu by getting your annual flu shot right away. Flu shots are:

Covered at $0 out-of-pocket[1]

They're safely given at over 50,000 locations – including network doctors, other health care professionals, certain retail pharmacies and convenience care clinics.

Important every year

Getting your annual shot may reduce the risk of having to go to the doctor with flu by 40% to 60%.[2]

Scan the code to find flu shot locations

To check your plan's coverage and choose a location near you, scan the code with your smartphone or visit **uhc.com/flushot** and enter your ZIP code

[1] Certain preventive care items and services, including immunizations, are provided as specified by applicable law, including the Patient Protection and Affordable Care Act (ACA), with no cost-sharing to you. These services may be based on your age and other health factors. Other routine services may be covered under your plan, and some plans may require copayments, coinsurance or deductibles for these benefits. Always review your benefit plan documents to determine your specific coverage details.
